**PARENT/GUARDIAN CODE OF CONDUCT**

As the Parent/Guardian of a child participating in the Spencerport Junior Baseball (SJBI) Program, I realize that the goal of this Program is to provide an enjoyable opportunity for all players to learn the game of baseball/softball, team play and sportsmanship. I endorse this purpose and I agree to follow these guidelines:

- Follow all rules and guidelines of the SJBI Program.
- Make every effort to ensure my child attends all practices and games
- Ensure the safety of my child by having an authorized adult present at all games and practices.
- Be responsible for the conduct of my child on and off the playing field.
- My attitude will be positive and I will encourage my child.
- I will refrain from interfering with direction being provided by my child's manager and coaches **during** practices and games. If I have an issue with this direction, I will discuss in a professional manner after the game or practice.
- I shall not encourage or participate in unsportsmanlike conduct such as speaking in an argumentative tone, using profanity, using physical force, being disrespectful of managers, coaches, players, umpires, or other spectators,.
- I shall not use alcohol either before or during practices and games.
- I shall not use any type of tobacco product at any practices or games.
- I realize that I must lead by example and have the responsibility of following all SJBI rules and guidelines. Failure to do so will lead to formal meeting before the SJBI Board to review the situation. Possible sanctions could include probation, suspension or expulsion.
- Any questions, concerns, issues or feedback can be provided by emailing the Commissioner at commissioner@spencerportjuniorbaseball.com or calling the Hotline at 349-9510 and leaving a message.
